WORDPRESS DEVELOPER & GRAPHIC DESIGNER

Experienced WordPress Designer & Developer skilled in Elementor, Divi, and WPBakery. Specializing in visually stunning websites with a strong Graphic Design background. Proficient in Adobe Photoshop, Illustrator, and InDesign. Expertise in front-end development, responsive design, and seamless plugin integration. Excels in collaborative environments, turning ideas into impactful visuals.

KEY COMPETENCIES

Visual Design	Page Builders	Communication
Typography	Front-End	Time Management
Creativity	Optimization	SEO
User Experience (UX)	Problem-Solving	Security

PROFESSIONAL EXPERIENCE

Caliteam (Contract) Jan 2024 - April 2024

Website Designer and Developer

I designed and developed caliteam.org, a comprehensive WordPress website showcasing my expertise in front-end development, visual design, and user experience. This project highlights my proficiency in utilizing Elementor and other page builders to create a visually captivating and responsive website tailored for optimal user engagement.

Blue Journey (Contract) Jan 2023 - Feb 2024

Graphic Designer and WordPress Developer

I designed responsive WordPress websites, managed maintenance and security updates, and created visual assets for digital and print media using Adobe Creative Suite and Canva. Achieved high-quality results as a WordPress developer and graphic designer at Blue Journey.

Design Holy (Full Time) Mar 2020 - Dec 2022

WordPress Designer and Developer

I design layouts, styles, and features for corporate, charity, and e-commerce websites, specializing in converting HTML and XD/Figma templates to WordPress using Elementor or WPBakery. Experienced in designing for clients in New Zealand.

EDUCATION

Bachelor of Science IT 2020
Major: Information Technology
CGPA 3.25/4.00
